

## **INSPIRED WORD**

**August 10, 2016**

### **PRAYER**

Lord, You know the things that are in our hearts more than we know them ourselves. You know the things that are in our minds, the fears that we have, the problems and difficulties that we face. Lord, we don't want these things to interfere with our time spent with You tonight. We want to be open to You, to praise and worship You from the depths of our hearts. So we place all of our burdens at Your feet, Lord, and we know that You will take care of them and resolve them, as only You can do. Lord, when we leave here tonight, please help us not to take any of them back, cast them away as only You can do. Praise, honor and glory be to You, Lord Jesus Christ!

### **PRAYER**

Lord, let our words be a prayer from our hearts to You! Make us salt and light for You, Lord. Help us to be Your light in this troubled world, and give us the courage and faith to step out and let Your light shine through us. Thank You, Lord!

### **SCRIPTURE**

**Romans 1: 16 – 17:** I am not ashamed of the gospel; it is the power of God for salvation to everyone who has faith, to the Jew first and also to the Greek. For in it the righteousness of God is revealed through faith for faith; as it is written, "The one who is righteous will live by faith."

### **SCRIPTURE**

**1 Timothy 6: 17 – 19:** As for those who in the present age are rich, command them not to be haughty, or to set their hopes on the uncertainty of riches, but rather on God Who richly provides us with everything for our enjoyment. They are to do good, to be rich in good works, generous, and ready to share, thus storing up for themselves the treasure of a good foundation for the future, so that they may take hold of the life that really is life.

**A DVD was watched tonight.** Father Dave Pivonka was the speaker. In last week's DVD the word was "Fire". The Lord said, "Be on fire for Me!" The DVD tonight is going to be about the Lord wanting us to say, "Yes" to Him.

### **EXHORTATION**

When we say 'Yes' to the Lord, He can do marvelous things. We, as a prayer community, are called to say 'Yes' - 'Yes' to God anytime He calls and anywhere He calls, and under any circumstances. Once we put our fears behind us that can happen very easily. But one of the ways God calls us to say 'Yes', is to pray for people in need.

### **PRAYER**

**Praying for a woman in need of prayers because of pain that she is experiencing.**
